## ABOUT ME

---

A good, creative, self-driven person who consistently worked on the task at hand to finish it in the allocated time. I aspire to have a career where I will experience new challenges at every point of work and convert all my abilities, knowledge, and interests into a meaningful contribution to the company.

## WORK EXPERIENCE

---

**Junior Software Engineer** Nov 2023 – Present  
Eyepax IT Consulting (Pvt) Ltd - Colombo, Sri Lanka

- Worked on Fleet management **Flutter** application using Flutter clean architecture.
- Implemented best coding practices, maintained version control, and adhered to project timelines.
- Got an idea about the standards, culture, tools, and technologies used in industry.

**Software Engineer Intern** Mar 2023 – Nov 2023  
Eyepax IT Consulting (Pvt) Ltd - Colombo, Sri Lanka

- Developed front-end applications using **React** with **TypeScript**.
- Contributed to back-end development using **Symfony**, implementing RESTful APIs, and enhancing server-side functionality.
- Managed **PostgreSQL** databases, optimizing queries, and ensuring data integrity.
- Implemented best coding practices, maintained version control, and adhered to project timelines.
- Got an idea about the standards, culture, tools, and technologies used in industry.

## PROJECTS

---

### Hostel Management System Version 2
